DESCRIPTION

Designed by renowned architect Jean Claude Le Suisse, this exceptional estate embodies the timeless elegance of the Costa Smeralda, set in one of its most prestigious and private locations at the heart of the international jet set. Enjoying breathtaking 180-degree panoramic views over Romazzino and Cala di Volpe, the villa offers complete privacy, with no visible neighbouring properties, a rare privilege in this exclusive setting. A beautiful patio entrance introduces interiors enriched by fine architectural details such as Murano glass features and handcrafted wrought-iron elements. Thoughtfully arranged across several levels, the residence offers well-separated living spaces, including a bright lounge with fireplace, a formal dining area, and two fully equipped kitchens. The property features six elegant rooms, each with its own en suite bathroom, ensuring comfort, flexibility, and privacy for every guest. Generous covered and uncovered terraces provide ample spaces for year-round entertaining, while two independent entrances allow seamless access for owners, guests, and staff. Outdoors, traditional Sardinian architecture is complemented by an expansive manicured lawn, Mediterranean vegetation, and a stunning infinity pool positioned to capture uninterrupted views over Romazzino. A private gym, a dedicate baby pool and garage complete this rare estate of prestige, privacy, and architectural distinction. There are 3 staff bedrooms with en-suite bathrooms, 1 office room, and 1 room with a bathroom designated as a relaxation/massage area.
