Thanks to its privileged location, the villa offers spectacular views of Cala di Volpe Bay, with the sea unfolding in all its magnificence between the branches of the trees that surround the property. Every detail of this residence is designed to ensure total privacy and a direct connection with nature, making it an exclusive retreat for those seeking peace and serenity away from the hectic pace of daily life. The property extends into a lush park, fragrant with the flowers typical of Mediterranean scrub, creating a natural and evocative environment. A small path leads directly to a private beach, where a stone BBQ invites you to enjoy outdoor lunches and dinners, immersed in the beauty and tranquility of the surrounding landscape. The three bathrooms are one of the distinctive features of this villa: made with Sardinian materials, such as local ceramics, they offer an authentic experience, while the spacious living room is the heart of the house, enriched with exposed wooden beams that evoke a warm and inviting atmosphere, perfect for moments of relaxation. The kitchen is ideal for those who love to cook in a functional yet charming space, with juniper inserts creating a unique atmosphere, perfect for any time of day.
