The villa has five bedrooms that can accomodate ten people all with en-suite bathroom. Inside, the property is spread over different levels: on the first level the fully equipped kitchen and living area have a direct access to the terrace where you can enjoy the view of the swimming pool and the Grande Pevero Bay or to an other external dining area with barbeque next to the kitchen, there are also two double bedrooms each with private bathroom and pool view. On the upper floor there is the master with two bathrooms and a large terrace from which you can enjoy the wonderful crystalline colors of the sea. On the lower level: a bedroom with two single beds and private bathroom, guest bathroom and laundry area. The dependance offers an additional bedroom with ensuite bathroom. The house has an outdoor gym. The well-kept garden has a very welcoming and comfortable relaxation area.
