DESCRIPTION

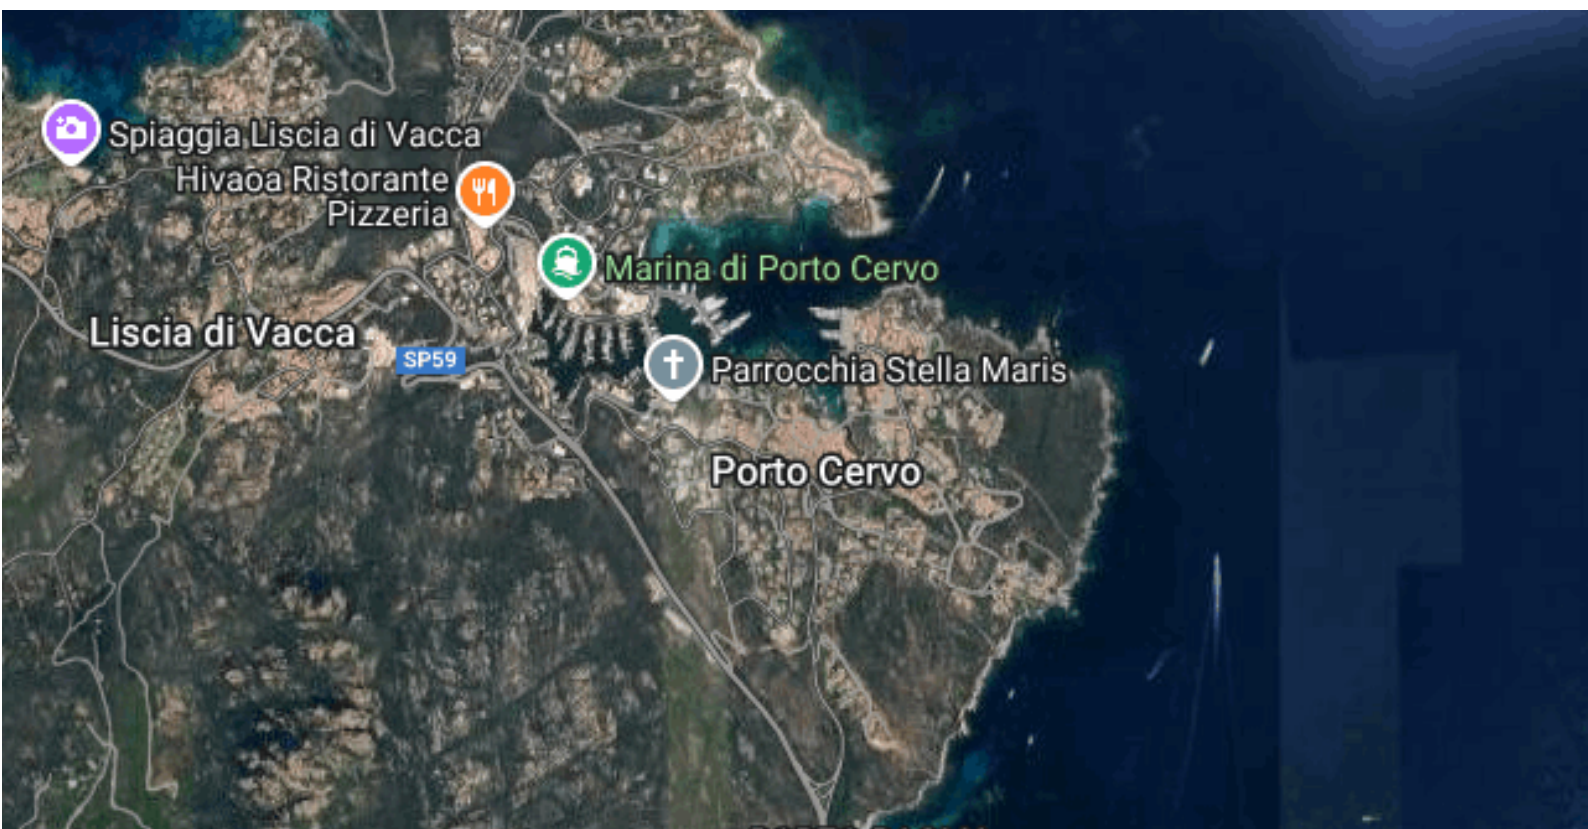

Surrounded by a luxurious garden, vaguely exotic and at short distance from the centre of Porto Cervo, this prestigious villa faces a beautiful landscape, enriched by the Marina lights. The interiors are furnished in a modern style, harmonically integrating some Costa Smeralda distinctive elements as terracotta pavement, juniper wood and rocks. A fundamental aspect of this property is the square meter size, wide and comfortable, with the main building including a spacious living room with a loft, facing the swimming pool. From the living room, thanks to a luminous window, there is easy access to a fresh and covered patio with a BBQ area and a modern kitchen. The main building also has two master bedrooms with en suite bathroom, and a personnel bedroom with own bathroom. Independent and accessible only from the external, a guest dependance that includes three master bedrooms with personal bathroom. A harmonious visual continuity, merit of a perfect fusion of internal and external ambient, permits to appreciate the unique and unforgettable atmosphere of this exclusive villa in the centre of Costa Smeralda.
