## DESCRIPTION

Overlooking Porto Cervo centre, its port and the sea of the Gulf of Pevero, this splendid mansion is ideal for a relaxing vacation. Completely renovated, the villa offers well distributed spaces: all of them are developed around the large outdoor area - the fulcrum of the house - where the pool's blue stands out against the white of the walls and the topaz waters of the bay. The relaxed atmosphere is emphasized by an exquisite choice of furniture in Balinese style, which harmonizes perfectly with the whiteness of the rooms. The interiors are distributed as follows: the living area hosts a comfortable chatting corner with a large lounge and an indoor dining area served by the bright and equipped kitchen. On the same level, three double bedrooms with their own bathrooms have direct access to the outdoors and large closets. A scenic staircase leads to the upper level, where the sleeping area includes upstairs, a suite with a bathroom and private terrace, and the master bedroom with a bathroom and walk-in closet with access to the solarium. This exceptionally scenic corner is complete with a sofa area and infinity effect Jacuzzi overlooking the seascape. Independent, though conveniently accessible, through the garden: a guest room with bathroom, gym area with wellness area equipped with sauna and massage corner, and the staff area. A stunning intimate view opens up from the property, especially at night when the Porto Cervo and the harbour are lit up, and the sea turns into a starry night. The villa is served by Wifi system, an alarm system, a big garage and an elevator to the living area.
