DESCRIPTION

This extraordinary seaside property is one of the most exclusive gems of the Costa Smeralda and one of the masterpieces of the renowned architect Savin Couëlle. Located near the famous Grande Pevero beach, just a few steps from the most beautiful beaches in the area, it offers a privileged position that perfectly embodies both luxury and natural beauty. Architectural features, marked by pure genius, blend seamlessly with the Sardinian landscape, guiding the guest through the garden and the house, all the way to the vibrant colors of the sea that kiss the garden. Living in this home is a unique experience, made possible only by the perfect balance between architectural brilliance and the extraordinary beauty of the location. Every detail, from the elegant finishes to the vaulted ceilings, from the garden elements to the spatial design, has been carefully crafted to create a magical atmosphere that permeates the entire property. Even the entrance door is a work of art: upon opening, one enters a hallway that leads to the spacious, fully-equipped kitchen with outdoor dining, the bedrooms, or the living area. The living room, featuring a furnished mezzanine, opens up with large windows onto the stunning veranda and garden. The garden, in particular, acts as a bridge between nature and architecture, descending from the veranda to the sea, where a small beach and a dock are available for guests. The short distance from the house to the sea allows one to fully enjoy the colors, scents, and sensations that make the Costa Smeralda so unique. The property consists of four bedrooms, three of which have private bathrooms, all offering spectacular views and direct access to the lush garden. An unmissable opportunity for those seeking an exclusive retreat, where design and nature meet in perfect harmony.

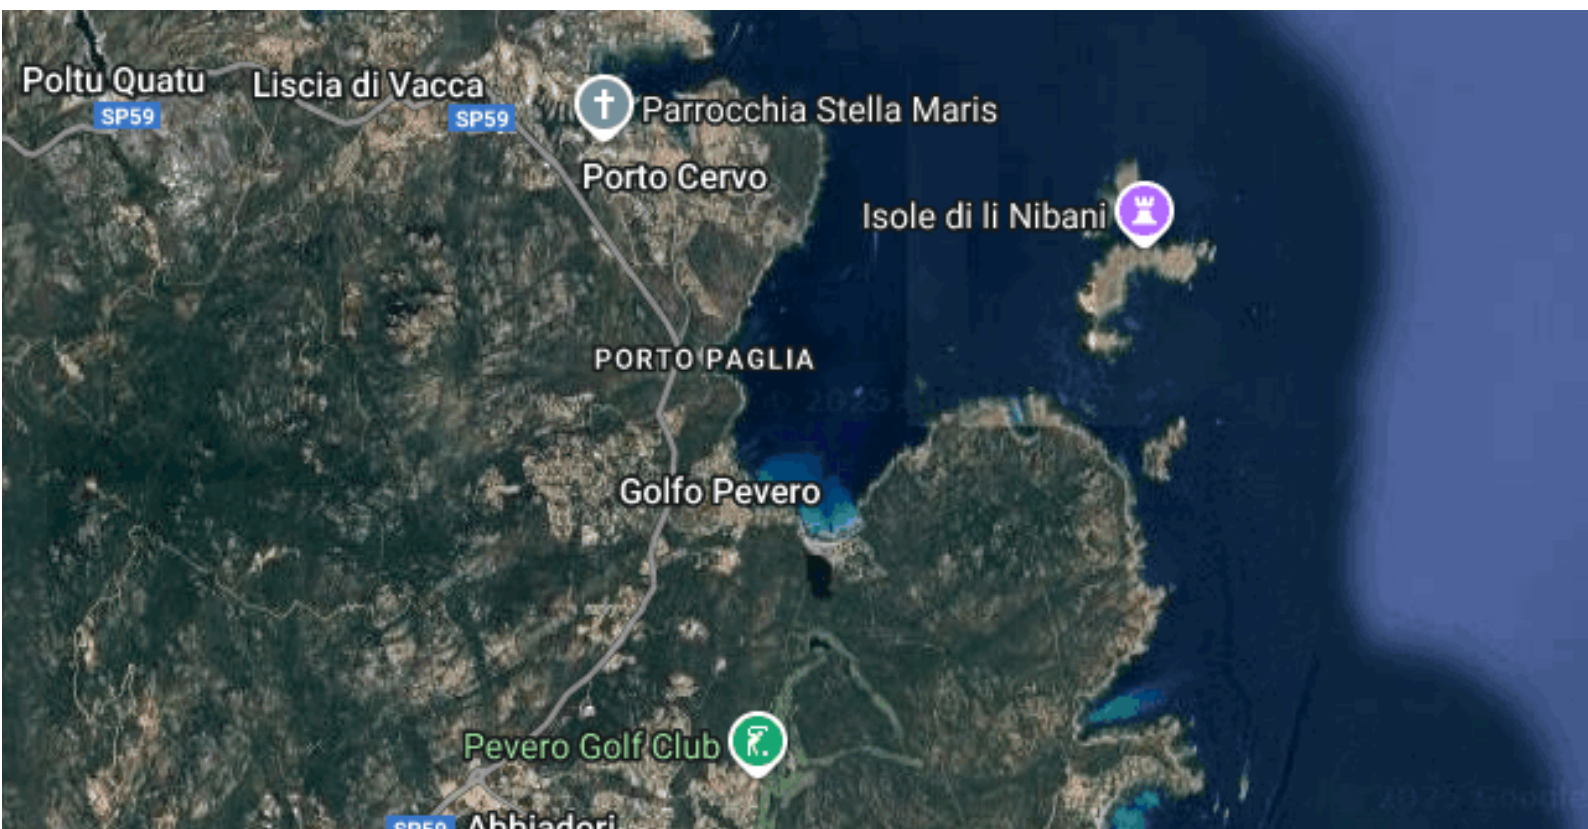

SATELLITE VIEW OF THE AREA

The property presented in this brochure can be found in the area depicted in this satellite picture. For privacy reasons we do not indicate the exact point on the map. Contact us for more information.
