DESCRIPTION

This pied-dans-l'eau villa, originally designed by Couelle and painstakingly renovated, stands immaculately overlooking the bay of Piccolo Pevero. Inside, a total white look and resin floors lend a contemporary character to the villa, while the bleached juniper wood beams and the typical rural Gallura canopy evoke tradition. The house's centrepiece is the large living room with floor-to-ceiling windows that frame the bay and give access to the terrace and garden that descends to the sea, where a teak platform is set up as a solarium. The spacious separate kitchen communicates with the staff area with a private bathroom and laundry room. A difference in high divides the living area from the sleeping area, which consists of the master bedroom with an en-suite bathroom and private balcony perfect for an intimate breakfast while gazing at the sea, and three en-suite double bedrooms, all furnished in a sea-inspired colour palette. The annexe adjacent to the villa offers an additional bedroom. All suites, except one that overlooks the garden, enjoy stunning sea views. This property offers the unique and unforgettable opportunity to live the extraordinary and experience being able to reach the sea barefoot from your home. The bay of Pevero, besides being one of the most famous icons of the beauty of the Costa Smeralda, is conveniently located within a short distance from the centre of Porto Cervo and its Marina, the Pevero Golf and the area of Abbiadori with all services such as supermarkets, bars, restaurants, pharmacy, etc. The property has WiFi, air conditioning and parking for four cars.
